SCRAP ESTATE CHARGES

STOP THE ROT ! ADOPT THE LOT!

Are You:

- **A freeholder or leaseholder living on a private estate?**
- **Stuck with estate charges you cannot challenge or influence?**
- **Saddled with much more than the “grass cutting” you were told about?**
- **Feel you have been mislead at the point of sale?**

We are:

- **All ordinary home owners/buyers 13,000 strong on Facebook**
- **Collecting data on 1052 UK developments with 241,400 affected homes**
- **Succeeding in raising awareness of the issue in parliament, in the press, the Competition and Markets Authority and research projects.**
- **Sharing information and have now extensive knowledge and ability to provide evidence/case studies**
- **Supporting each other to work together locally in residents groups**

Why we exist:

- **All the big national housebuilders are saving money by avoiding council adoption and setting up private management**
- **There is no legal framework to protect us**
- **A determined group of people can create change. The more voices we have, the louder we can shout!**
